## August 2024

The weather says SUMMER but the schools are going to open already. When I was in school, grade school and high school, they started after Labor Day and college opened at the end of September. I like the good old days of my schooling better!! But for Corrales & Rio

Rancho drivers it means we all need to share the roads with kids, kids on bicycles, and school buses. The **Corrales swimming pool will close on August 4<sup>th</sup>.**

**Sundays Growers Market** – participants are needed to man a Corrales membership booth. Contact Jeff Yingling, [jsyingling2@verizon.net](mailto:jsyingling2@verizon.net)

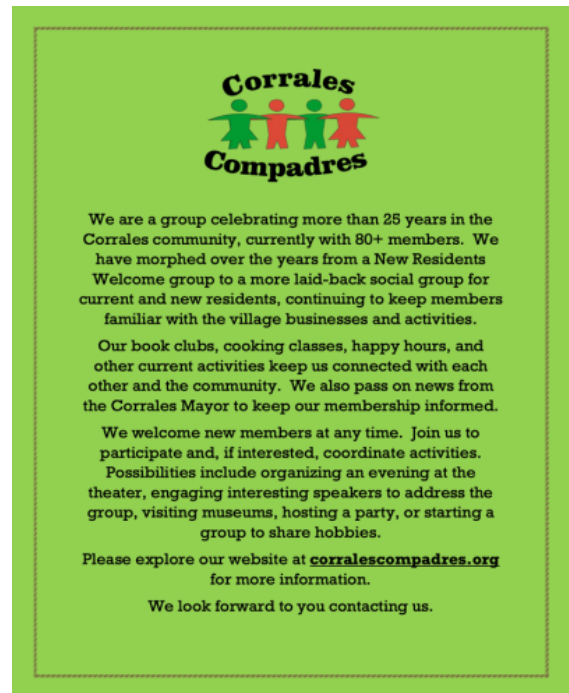

Jeff has a supply of business cards and some posters to distribute around Corrales. He already put posters in some stores and restaurants in the village that have places to promote local organizations. Jeff is usually at Happy Hour which is an easy way to contact him, then you can hand these out to your friends.

*We welcome additional “at large” members of the council/staff. Chat with any of the current group to let us know you would like to join. **Help with Happy Hours and manning Growers Market booth would be especially useful.***
