## Newsletter

**‘How did it get so late so soon? It's night before it's  
afternoon. December is here before it's June. My goodness  
how the time has flown. How did it get so late so soon?’**

**— Dr. Seuss**

December is the 12th and final month of the year in the [Julian](#) and [Gregorian calendars](#). Its length is 31 days.

December's name derives from the Latin word decem (meaning [10](#)) because it was originally the 10th month of the year in the [calendar of Romulus](#) c. 750 BC, which began in March. The winter days following December were not

included as part of any month. Later, the months of January and February were created out of the monthless period and added to the beginning of the calendar, but December retained its name.

Of course, December is a month of holidays, Christmas being foremost in Western culture. There's also Hannukah, Kwanzaa, Boxing Day, and scads of Solstice observances across the world. The end of the month is also the end of the year, when New Year's Eve will usher us into 2026.

As for Compadres, we're not exactly hibernating, but the schedule is less active than in other months. Read on to learn more.

## **HEALTH AND SAFETY UPDATE**

The Corrales Fire Department would like to thank everyone who has already donated to their annual food and toy drive for this holiday season. The department provided Thanksgiving meals for 14 local families this year thanks to these donations. Families will be getting groceries to make their own meals, and some will be getting pre-made meals to ease the stress of holiday cooking.

If you would like to donate to the drive, you can drop off checks to the main fire station made out to KCCF (Kiwanis Club of Corales) and make sure to write “fire drive” on the memo line. Gifts for the Giving Tree and donations to the fire department should be made by December 19. Deliveries to the families will take place December 20 – 22.

If you would like to help by wrapping gifts or sorting the donations, please reach out to Deputy Fire Chief Tanya Lattin at [tlattin@corrales-nm.org](mailto:tlattin@corrales-nm.org) or 505-702-4182.
